# Goldilocks & the 3 Bears

*Adaptation by Lani Brockman  
Music and Lyrics by Susan Bardsley*

Welcome to StoryBook Theater's **Goldilocks & the 3 Bears** presented by Premera Blue Cross. We love this show! We love how it shows Mama and Papa Bear trying to teach Baby some manners. We love how frustrated Mama and Papa are at times, and yet still they love Baby Bear.

Sometimes moms and dads get very frustrated — they try to do a good job teaching their children and keeping them safe, but children often have a different idea of what they want to do. Sometimes moms and dads feel like banging their heads against a wall (or a tree!) because they are so frustrated. But always, always, always they love their children. Parents never give up hoping that someday their children will listen and learn. Parents never give up loving their children.

So, if your mom or dad is frustrated with you (and you are probably frustrated with them), please remember they love you and want the best for you. That's why they're bugging you!

In our story, Baby Bear is lonely and wants a friend to play with. Goldilocks is lonely too, and also wants a friend, but neither she nor Baby Bear seem to know how make friends. It gets very frustrating for both of them until they discover that good manners, such as sharing and taking turns, just might be the answer.

We hope you  
enjoy the show!
